

Bio Tab Urinal Maintainer

Technical Information

D 120mm

Sanokil: 02 9868 4644

Bio-Tabs clear the source of urinal clogging and odour by working on the organic waste.

Upon flushing the urinal, a portion of the **Sanokil's** Bio Tab is dissolved, releasing the ingredients and a refreshing scent. Bio Tabs are very economical.

It is environmentally safe and is made of non-corrosive ingredients that will not harm drain pipes, septic systems or the environment.

Sanokil's Bio-Tab combines a blend of active and biodegradable cleaners which result in pleasant-to-use, trouble-free urinals. **Sanokil's** Bio-Tabs are easy to install, economical to use and environmentally safe.

- Environmentally friendly
- It clears the source of urinal clogging and odour
- Used to maintain waterless and low pressure urinals
