

Nappy Change Table

Technical Information

Sanokil: 02 9868 4644

Sanokil Nappy Change Tables are safe, comfortable and convenient. Today, parents of young children have come to expect modern, safe and hygienic facilities. Adding convenience can go a long way to enhance the image of your public rest room.

Sanokil Nappy Change Tables are an attractive design. They are easily opened and closed and are suitable to be used in day-care centres, disabled schools, shopping centres, hotels, clubs, medical centres, swimming pools and all other public amenities.
