Sanokil: 02 9868 4644

*Sanokil Nappy Bins are specially designed for all locations. They represent the ideal solution and, lets face it, smelly problem of what to do with soiled nappies.*

Sanokil Nappy Bins are an attractive design. They have a large 55 litre capacity and are ideal for day care centres, kindergartens, disabled schools, day nurseries, medical centres, hotels, restaurants, shopping centres etc.

Service can be arranged on a weekly/fornightly/monthly basis as required.

- Regular container exchange service
- Contains extra strong granules that kill bacteria
- Entire unit is exchanged & sanitised at each service
- Flexible collection arrangements
- Compliments baby change unit
