

# Sanitary Disposal

## Technical Information

H 660mm

W 170mm

D 310mm

Sanokil: 02 9868 4644

*Sanokil Sanitary Disposal Unit is specially designed for use inside the ladies toilet cubicle and is slim enough to fit neatly alongside the toilet without causing any inconvenience.*

Sanokil Sanitary Disposal Unit contains extra strong granules, so as sanitary towels and tampons are dropped into the bin, they are enveloped in a powerful sterilising vapour, which destroys infectious germs and eliminates unpleasant odours. All units are replaced with a freshly sanitised unit at each service. Sanokil Sanitary Disposal Units allows you to forget the expensive plumbing repairs caused by clogged drains and toilet bowls.

- Slimline unit to fit neatly alongside toilet
- Contains extra strong granules that kill bacteria
- Entire unit is exchanged & sanitised at each service
- Regular container exchange service
- Practicle, durable & user friendly
