Sanokil: 02 9868 4644

Sanokil Toilet Seat Cleaner is sure, safe and simple. A specially designed sanitising liquid is sprayed on the toilet paper to clean the toilet seat. The liquid evaporates quickly leaving a clean surface for the user.

Sanokil Toilet Seat Cleaner is an attractive design. It is specially designed for use in offices, shopping centres, industries, nursing homes, clinics, hotels restaurants and other institutional buildings.

It is simple and hassle-free. It is positioned inside toilet cubicles for ease of use.

- Assures clean and dry toilet seats
- Pleasantly fragranced
- Provides complete peace of mind
- Reduces risk of cross infection
- Seat can be used immediately
